

# Butterfly & Insect Walk

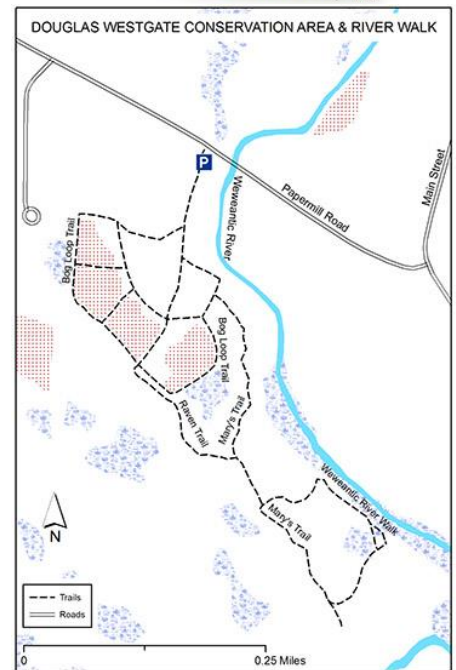

**Douglas S Westgate & Fearing Hill Conservation Areas**

**Saturday, May 18<sup>th</sup>  
10am - Noon**

**Come join us and your nature loving neighbors for a FREE & informative walk. The walk will be led by Plymouth County entomologist Blake Dinius.**

We will begin at the Westgate property parking area with a short introduction on local butterflies & insects. Blake will then guide us through the Westgate & Fearing Hill trails. Participants are encouraged to dress for a wooded walk. Binoculars are suggested but not necessary as some of the insects could be right by your feet or on a blade of grass!

Papermill Road, West Wareham, MA -70.7637 41.7800  
Follow Main Street to Papermill Road, which is less than a mile from the intersection of Fearing Hill Road. A parking area is provided on the left side of the Papermill Road. The Town of Wareham manages this area.

**VISIT [warehamlandtrust.org](http://warehamlandtrust.org) for information about upcoming events & our properties**
